## The Villages, a Presentation

**Pazit Aviv,  
Montgomery  
County Villages  
Coordinator**

**Friendship Heights  
Community Center**

The "Villages" help seniors age in place by providing volunteer neighbor-to-neighbor social supports and other non-medical services. Friendship Heights is surrounded by other community-based Villages. Would one make sense here?

Come hear the County Coordinator, Pavit Aviv, explain the Village concept, followed by a discussion and the opportunity to sign up for an exploratory workgroup.
